Making Data Work

Dr. Amy Salvo
Dr. Kelly Briscoe

Two Schools...One Mission

Outcomes for Presentation

Google image from emaze.com

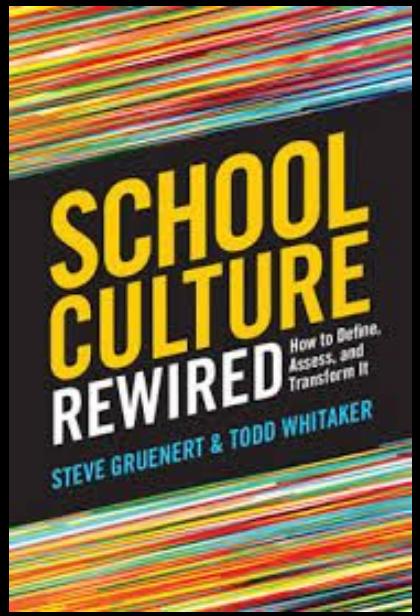
Discover activities and ideas on how to create a positive school culture.

Create a learning environment that promotes taking action on data (reflection to action).

Learn how to utilize a data protocol to help guide conversations that promote action.

Explore a student/parent data sheet that drives reflective conversations.

School Culture Rewired (Gruenert & Whitaker, 2015)



- Student Achievement
- Collegial Awareness
- Shared Values
- Decision Making
- Risk Taking
- Trust
- Openness
- Parent Relations
- Leadership
- Communication
- Socialization
- Organization History
