Fox C-6 School District

INEXPENSIVE MULTIPURPOSE TOOL

1

Cost Effective:
GoPro Hero 11
Bundle = \$300

2

Portability:
Fits in a carrying
case in a backpack

3

Great for everything
from walk-thru videos
to time lapses

4

Can edit footage in
GoPro Quik App on
tablet or phone

SMALL, UNOBTRUSIVE WAY TO INTERVIEW

Due to the design, GoPros stand perfectly on a flat surface and do not get in the way

They work great as a second camera angle, or even as a primary camera in a pinch

GREAT FOR INFORMATIONAL VIDEOS

To illustrate to families how traffic flow will go for school or for athletic events, GoPro accessories suction easily to cars or golf carts for drive-thru videos

TIME LAPSE FEATURE IS GREAT FOR CAPTURING PROP PROJECTS

GREAT FOR 'BEHIND THE SCENES FOOTAGE'

Students LOVE GoPros!

If your district has a cell phone ban, allow students to use a GoPro for 'day in the life' or 'behind the scenes' footage for school or sports

FAST, FREE EDITING WITH GOPRO QUIK APP

▶ Download GoPro Quik on Phone or Tablet

GoPro Quik App allows users to download footage from GoPro to your device

Use that footage within the GoPro Quik app editor to assemble videos with music, transitions, etc.
